Early Years Education Entitlement

Children aged 9 months to 4 years old of eligible working families are entitled to 30 hours of early years education for 38 weeks or stretched for the equivalent number of hours across more weeks per year.

Children will qualify for an education entitlement place the term after their child turns 9 months old. Visit the Best Start in Life website to find out if you are eligible.

To meet the needs of working families and provide continuity of care for our children, we stretch the government funded hours over the 51 weeks of the year we are open. This means that a working parent eligible for 30 hours funding per week, over 38 weeks, can access 22.35 hours over 51 weeks.

Your Early Years Education Entitlement hours will be allocated to full day sessions first.

As our sessions are 10 hours long, you will have 2.35 residual government funded hours left to use against another 10-hour session (that is part of your permanent booking pattern).

Any hours over and above the funded hours will be charged at the nursery standard hourly rate, as detailed below:

	0-2 Years	2-3 Years	Over 3 Years
Full Day 8.00-18.00	£9.24	£9.24	£9.24

The Government funding is intended to cover the Early Years Foundation Stage basic provision only and is not intended to cover the costs of meals, other consumables, additional hours or additional services. We therefore charge the following for the extras not covered by the government funding:

	Meals & Snacks	Consumables
Full Day 8.00-18.00	£22.03	£3.89

Any parent wishing to opt out of these additional charges should speak to their Nursery Manager who will explain the process and provide the necessary policies which must be adhered to.

Additional Information

One month's notice is required to opt out of any additional charges for the following term.

No changes can be made during the term.

At any time, if a parent does not adhere to the correct policy for providing alternatives for the additional charges, Happy Days will charge the parent for any additional activities, food or services accessed, in accordance with the fee sheet.

The additional charges apply to all sessions booked. As per our terms and conditions, no refund will be given in the event of the child's absence due to illness, holiday or for any other reason.

Parents must sign the Early Years Education Entitlement Parent Contract to access their funded sessions.

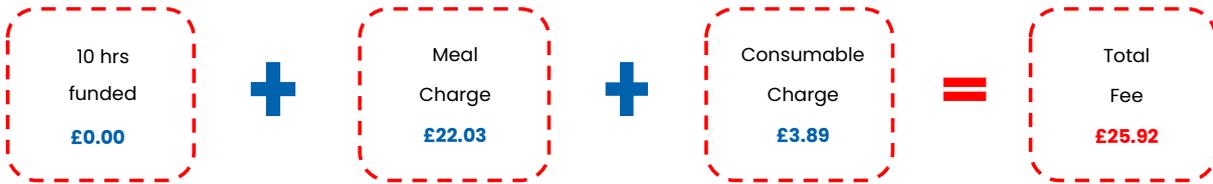

Please refer to our Help with the Cost of Childcare Guide on our website for more information.

Our standard Terms & Conditions still apply when accessing funded sessions.

More than Mealtimes – Moments that Matter!

We use fresh ingredients daily to prepare nutritionally balanced breakfast and snacks. For our hot lunch and afternoon tea we utilise outside specialised caterers who are experts in food and nutrition, preparing and delivering delicious meals that provide children with the nutrients they need for a busy day of play and learning.

More than Mealtimes – fuelling learning, social growth, life skills and healthy habits for life.

We encourage independence during mealtimes. Older children are supported in serving their own meals using appropriate serving utensils and pouring their drinks. Children are encouraged to wash up their plates after mealtimes. During this daily routine, staff who are sitting with the children help to support their development, encouraging the use of communication and language skills.
